Subject: Submission of Technical & Financial Bid
Tender Ref: CRPF/CIV/2026/04/BOP-117 — Construction of BOP, Sector-14

Respected Sir / Madam,

Patel Boundary Works was incorporated on 15-04-2018 (~7 years 12 months as on the bid submission date — slightly short of the 8-year minimum requested in C-5). We respectfully request consideration on the basis of substantive experience accumulated during this period.

We have executed two BSF border-related projects (mostly access roads with boundary wall) but the second of these is from 2018 and may fall outside the 7-year window depending on the date of measurement.

Our ISO 9001:2015 scope covers "general civil construction" and not specifically border infrastructure; the certifying body has been requested to update the scope.

Yours faithfully,

Mr. Hardik Patel
